## Apparel Terms & Conditions

### ORDERS

Orders may be lodged by telephone, facsimile, email or post. World of Sport prefers fax, email or mail that allows for ease of checking of all details by World of Sport and the customer.

### PACKAGING AND DELIVERY CHARGES

In the absence of written instructions World of Sport will select the method of freight best suited to the order. Freight charges will be kept to a minimum and added to the order.

### SAMPLES

Sample garments may be supplied on request where available. All samples will be invoiced on a 14 day invoice; return of the samples in good condition within this time will result in a credit for the invoice amount.

### PRICES

Wherever possible, World of Sport will attempt to maintain catalogue prices for the year of the catalogue. At times due to increases in cost, prices will be increased without notice.

### PAYMENT

Where an approved credit account is held, invoices will be due for payment 14 days from date of invoice. For non account customers and made to order requests a deposit of 50% will be required on commencement with balance payable prior to dispatch of order.

### STOCK LINE APPAREL

Most stock lines are available for dispatch within 5 working days of confirmed order. At times there may be lines that are temporarily unavailable; World of Sport will contact you with alternatives if this is the case.

### MADE TO ORDER APPAREL

Due to the range of garments available from World of Sport the makeup times for made to order garments will vary from 4 weeks to 8 weeks. Please ensure that you communicate any deadline for receipt of garments at time of initial enquiry. World of Sport will advise at this time if the request cannot be met by deadline.

### EMBROIDERY AND SCREENPRINTING

World of Sport offers a full embroidery and screenprinting service, including artwork services. Please refer to page 34 for details on turnaround times and requirements for supply of artwork to World of Sport. Remember, the better the quality of artwork, the better the finished product.

### HEAT SEAL NUMBERING AND LETTERING

A comprehensive range of heat seal letters and numbers is available in a wide range of styles and colours.

### ONLINE ORDERING

An ever increasing range of both stock line and made to order apparel is available for ordering at the World of Sport e-Commerce site [www.wos.com.au](http://www.wos.com.au). ## SUBLIMATED APPAREL

## Terms & Conditions

Manufacture ready artwork will require approval by customer prior to commencement of garments. Should you have an existing design, the provision of a sample garment will generally allow artwork to be prepared. Colours are to be advised by way of PMS numbers, if PMS is unavailable then standard World of Sport colours will be utilised. Manufacture will commence on final approval and will generally require a six week manufacture time. Please ensure that you communicate any supply deadline to World of Sport staff at time of initial enquiry.
